

Privacy Statement SDV The Blue Toes – Version 2023-24

With this form, we want to ask permission for processing your information in several ways within the association. You can give us permission by checking the boxes and deny it by leaving the box unchecked. In some cases you cannot check a box, this means that you have to agree with this condition to become a member. Of course it is possible to make any combination of checked and unchecked boxes. Important information:

- ✓ 0.1 The board can always view the personal information provided by you in the sign up form, since this information is essential for the board to carry out its tasks, such as processing your subscription and payments, or contacting you in case of questions etc.
- ✓ 0.2 If you are a regular member (meaning you are not in any committee) we will save your information and keep it accessible for the board for a maximum of two years after you signed out as a member.

If your preferences for processing your information change, you can always let us know by filling in this form again and handing it in to a board member or by sending an email to secretaris@bluetoes.nl, specifically telling us which parts you would like to change.
